

Foreword

In my opinion, Gerard Beloin has become the top cop in the State of NH by default, because, out of fear or complicity, no politician or law enforcement agents in NH have had the balls to take “These Guys” on. He is a proven winner as a freedom fighter. A freedom fighter that this state and this country sorely needs at this time in history.

This shocking real life political murder mystery will keep you up reading all night long. This is a riveting story about how one blue blooded patriot taxpayer watchdog with one smart dog defeated the best and the brightest of organized crime in NH politics while exposing a **multi-billion** dollar taxpayer rip off. It truly is organized crime in NH politics and beyond. “These Guys” all want Gerard and his dog to be dead and they are letting them know it. It is all caught on tape. They even went so far as to beat Kenny Boy with a dead porcupine zip tied to a bat! He barely survived. The real shock of this story is that no one in a position of legal authority, except for the anonymous tipsters (I understand their anonymity) are doing anything about it. The manner in which Gerard not only survived but came out on top is amazing. Gerard is a man with brass balls and an untamed intellect. This book will make you cry, make you laugh and then make you angry that this can still happen in America today.

Who ordered the assassination of Gerard's political ally, liberal Goffstown School Board Chairman, Dr. Craig Hieber and put a hit contract out on Gerard? The question is not whether Dr. Hieber was assassinated or not? They admit to *“getting rid of him because he knew what was going on.”* They brag about how they assassinated him and others with poisonous gasses by *“throwing gas bombs through windows when they can't get in.”* Dr. Hieber died of ARDS, (Acute Respiratory Distress Syndrome) symptoms consistent with being poisoned with gas. [His widow, Attorney Sherry Hieber, sued the Catholic Medical Center, the CMC Emergency Room and the CMC Emergency Room Doctor, an Italian by the name of Dr. Thomas D'Aprix.](#) According to her testimony, Dr. Hieber was getting better until he got to the CMC Emergency Room where *“he could breath in and out but could not get any air in.”* That is a symptom of an odorless poisonous gas. The judge on that case, Judge Phillip Mangones, was in possession of [these recordings](#) while adjudicating her case. I'm going to use Gerard's apt nickname for him. Phillip “The Ignorant.” He is on the record of ruling that Dr. Hieber died *“unexpectedly and mysteriously.”* Isn't that usually the assessment when someone is assassinated? John “The Brain” Janigan, an admitted member of organized crime, stated that mobsters use hospital emergency rooms to launder the dead bodies of their targets because there is never a murder investigation when someone dies in a hospital emergency room. [\(page 5 and 6 lines 13 and 14 of official transcripts of the recordings\)](#) Out of the 250,000 deaths every year in US hospital emergency rooms, there are zero murder investigations. If you are a member of the mob, THAT is where you want your victim to die. Subpoenaed witness after subpoenaed witness with information helpful to Gerard or damaging to the State has either died *“unexpectedly and mysteriously”* or disappeared!

This book names all of the powerful agents for the State and beyond that knew of the recordings admitting to the political assassination of Dr. Hieber and hit contract on Gerard and did nothing, or tried to cover it up. The most intriguing part of this page turner is not so much who assassinated Dr. Hieber as to who ordered the hit and who coordinated the admitted cover up. As you walk your way through his *“lawtography,”* the unbelievable, backed by court records, videotapes and audiotapes, becomes believable, and the impossible is achieved. The author of this book has put together the most powerful expose of institutionalized political corruption working in concert with organized crime that I have ever read. It will stand the test of time as the benchmark for how to expose organized crime in politics. *“These Guys”* have become so powerful and arrogant, that it is just like the author states. *“They have stopped pretending.”* This book has made them start pretending again. Gerard has given them no other choice. As he states in his book, *“They are now stuck between Gerard and a hard place.”*
